VCHD, DACC, KVCB to host electronics recycling event

DANVILLE – Vermilion County Health Department will host a free electronics-collection event from 9-11 a.m. Saturday, Oct. 8 in the north parking lot of Danville Area Community College, 2000 E. Main St. in Danville. Residents are encouraged to bring their broken, obsolete or unwanted televisions, monitors and other electronic items to the collection event so they can be recycled. Vintage Tech of Plainfield, will process the items. The event is jointly sponsored by Danville Area Community College, the Vermilion County Health Department, and Keep Vermilion County Beautiful, and is open to any county resident.

Proof of residency of those taking part in the collection will be checked. Vermilion County residents will be limited to a maximum combination of four televisions or computer monitors at the collection. "We are happy to work with residents to properly recycle these types of electronics in an environmentally safe and responsible manner," said Public Health Administrator Douglas Toole. "By doing so, many materials will be reused in the manufacturing of new products and potentially harmful chemicals will be diverted from landfills." Toole can be reached at (217) 431-2662, ext. 243 for more information about the County event.

Bruce Rape, DACC dean of business and technology, said the college wanted to host a special electronics-collection event, and that officials were eager to be involved. "Encouraging environmental sustainability is a goal of the college, and we are happy to be part of the Oct. 8 event," he said. Keep Vermilion County Beautiful will have representatives at the collection, accepting donations for future recycling and beautification event. Items accepted include CRT or flat screen televisions, CRT or flat screen monitors, cable boxes, satellite dishes, cell phones, computers, computer peripherals (keyboards and mice), printers, copiers, DVD players, fax machines, gaming consoles, laptops, PDAs, scanners, VCRs, wires, cameras, clocks, radios, vacuum cleaners and fans. The collection will not accept bare CRT tubes, light bulbs, medical equipment, air conditioners, microwave ovens, or smoke detectors. A full list of items that will and will not be accepted can be viewed on the health department's website, www.vchd.org.

location and photographer's real (not
screen/alias) name.

State association to present free forum on rural health careers

A Student Rural Health Careers Forum, hosted by Illinois Rural Health Association, will be held from 10 a.m.-noon Saturday, Sept. 24.

The forum will be held in the Medical Science Building, second floor auditorium, 506 S. Mathews, Urbana. Parking is available in the Krannert garage or lot D-1.

College students, high school upperclassmen and anyone looking for a career change are invited to attend the forum.

With the aging population, there is a growing demand for professionals to work in the rural health arena. Doctors, allied health professionals, and those with business backgrounds in healthcare administration, medical billing and coding and information technology, are in high demand.

The forum will help students gain insight on the many careers paths that are available to them and the ways to get there.

Three panels will consist of healthcare administrators;

From the Blotter

No tickets or injuries were reported in an accident at 5:13 p.m. Monday at Rt. 9 and Fifth Ave. Police said Karen Evans, of Hoopeston, backed a 2010 Ford from a driveway into a stopped 2012 homemade trailer pulled by Camerino Cruz-Cabrera, of Kewanee.

Recycling continued from other side

It is illegal in Illinois for electronic products such as televisions, computers, monitors, DVD players, fax machines and MP3 players to be disposed of in landfills.

Some electronics can contain toxic materials such as lead, mercury, arsenic, cadmium and beryllium that must be properly managed to prevent soil and groundwater contamination. But obsolete electronic products can also contain valuable materials that can be recycled for reuse such as copper, gold and circuit chips.

Weather

Chance of thunderstorms today. High 78. Tonight, mostly cloudy. Low 58. Tomorrow, mostly sunny. High 76, low 61.

healthcare providers; and grad students/advisors, who will explain what they do, how they got there and answer questions and provide advice.

The forum is free but registration is required and can be done online at www.ilruralhealth.org.

Contact IRHA Executive Director Margaret Vaughn 217-280-0206 or staff@ilruralhealth.org with questions.

Special thanks to Illinois Area Health Education Centers (AHEC) for their sponsorship.
