Voters keep Grant Township election judges busy at polling Tuesday at McFerren Park Civic Center.

Grant Township voter turnout high despite rainy weather

Grant Township election judges had something Tuesday they don't usually have for elections: a long line when the doors opened at 6 a.m.

Judges arrived at 5 a.m. to get the McFerren Park Civic Center ready for voters. When they opened the door at 6 a.m., a line formed that, when voters entered the building, snaked from the area of voting machines

through the hallway and out the door, said Rose Davis-Staley, who oversaw Tuesday's local election.

By 10:30 a.m., 737 people had cast their ballots, Davis-Staley said, adding that may be record-setting.

Being so busy, many voters had to slog through rain, mud and puddles to get to the door into the civic

A special person, a special face,
 Someone we love and can't replace
 Never selfish, always kind,
 These are memories he left behind.

We hold him close within our hearts
 and there he will remain
 To walk with us throughout our lives
 Until we meet again.

It isn't what we write,
 It isn't what we say
 It's how we feel deep inside
 As we think of you today.

Sadly missed and loved

Voter continued from other side

center. Despite that, many smiled to other voters and election officials, wishing them "good morning."

This is the second election where all Grant precincts voted at the civic center instead of individual polling places. Thirty judges and three greeters were on hand to assist their fellow citizens, directing voters to their proper station for each precinct. As in the previous election, residents could fill out a paper ballot or use the touch screen voting system.

In either case, voters can be assured no shenanigans would occur. "We have a paper trail for everything we do," Davis-Staley said.

Because all voting is done in one place, when the polls close at 7 p.m. only one Republican and one Democrat judge will take the results to Danville to be tabulated.

When precincts were separate, Democrat and Republican judges from each had to take ballots to Danville.
