Organizations surveyed for developing volunteer database

Hoopeston Economic Development Committee sees a need to establish a way for organizations that need volunteers to connect with people willing to volunteer their time and talents to help in the community.

The committee is creating a database that will be made available on the City of Hoopeston website, city-of-hoopeston.com/, listing volunteer opportunities available in the Hoopeston area.

To build the database, an organization information form has been developed. It will help provide details of the opportunities available. A copy of that form is at right.

Forms are also available for potential volunteers to complete. The committee will provide some matching between the individuals and organizations to help facilitate the process.

In order to begin to build the database, organizations are asked to complete the form. Completed forms may be returned to DACC Higher Learning Center, 847 E. Orange by mail or by bringing it to the center.

Completed forms may also be faxed to 217-283-4174 or emailed to kcoon@dacc.edu.

If you have any questions, please contact Bill Nicholls at wmnicholls3@gmail.com or Coon at kcoon@dacc.edu or (217) 283-4170.

Storm streaks colors across Hoopeston sky

A storm Monday evening caused the usual inconveniences: power blinking, internet freezes and interruptions to television programs, along with dumping pea-sized hail and about .25" of rain locally.

But oh, the color it left on its way out.

At 7:20, a rainbow graced the eastern sky above Hoopeston, with a double bow being seen in some parts of town.

By 7:40 p.m., the western sky had turned to a fiery orange, left, before muting to yellow flanked by a pink dome topped by purple hues at 7:51 p.m. To get the full effect of the colors, visit justthefactshoopeston.com/wednesday.PDF

The Hoopeston area had a chance for scattered storms again Tuesday afternoon and evening.
