Email photos to publish@justthefacts.net and include "photo contest" in subject line, names of subjects in photo (if applicable), location and photographer's real (not screen/alias) name.

Letters to the Editor

Celebrate Constitution Week

Barbara Standish Chapter NSDAR is asking that Constitution Week, September 17-23, be observed in the Hoopeston area by all residents in some way, whether it is simply flying the flag, taking a moment to read the Constitution or visiting the library and looking at their display and books about the Constitution.

Why does the DAR actively promote Constitution Week?

Constitution Week was initiated by the Daughters of the American Revolution. The DAR is a patriotic organization that encourages education and historic preservation in communities across America.

How did Constitution Week begin?

In 1955, Gertrude S. Caraway, President General of the Daughters of the American Revolution, adopted a project to promote the observance of the U.S. Constitution with a memorial week beginning on the anniversary of the signing of the document, September 17. She asked DAR chapters, committees, and members to study, teach, and discuss the U.S. Constitution. Caraway also encouraged members to invite their governors and mayors to issue proclamations celebrating the Constitution.

When did the United States government begin to observe Constitution Week?

Constitution Week was officially declared by President Eisenhower on August 2, 1956. This was the culmination of a proposal the DAR sent through Senator William F. Knowland of California.

Is there a memorial honoring the Constitution?

Yes. DAR Constitution Hall in Washington, D.C. The inscription on the pediment reads, "Constitution Hall - a memorial to that immortal document, the Constitution of

the United States, in which are incorporated the principles of freedom, equality and justice for which our forefathers strove." DAR Constitution Hall is the only structure dedicated to the U.S. Constitution.

Tami Goin, Regent
Barbara Standish Chapter NSDAR
