**Hoopeston Public Library to offer special events next week**

Hoopeston Public Library is holding two special events next week.

The first will provide activities for kids who are off from school for Martin Luther King Day on Monday.

From 2-3 p.m., youngsters can enjoy the movie "Norm of the North" and enjoy some Polar Bear Fun.

Children under age eight must be accompanied by an adult.

The second event will be held at 10 a.m. Saturday, Jan. 20, when HPL's Treeclimbers Genealogy Group will host "Stories from Your Past...A Legacy for the Future."

Presented by the University of Illinois Extension,

the workshop will celebrate storytelling. No one lives without accumulating stories. Individual and collective stories represent the significant life experiences of our family members. This is why storytelling is a valuable and worthwhile way for families to share their history. It is a way to make sure future generations learn from an about past generations.

Extension representatives will discuss the historical and cultural aspects of storytelling, explore ways to preserve stories for future generations and look at ways to create traditions that celebrate families.

Both events will be held at the library, 110 N. Fourth St. For more information, call (217) 283-6711.
