From the Blotter

A small pink bicycle was recovered Thursday. The owner may identify and claim it at the police station.

Kurtis Simpson, 31, of Hoopeston, was arrested after police were called at 2:50 p.m. Thursday to the 600 block of Easy Wyman. He was charged with domestic battery on a complaint from a 38-year-old Hoopeston woman and was taken to the Public Safety Building in Danville to await arraignment.

Sarah Hoover, 37, of Milford, was arrested after police stopped her for a traffic violation at 4:29 p.m. Thursday. She was charged with driving while license suspended and given a notice to appear in Vermilion County traffic court. Also wanted on an Iroquois County warrant, she was released on bond with a new court date.

No tickets or injuries were reported in an accident at 8:24 a.m. Friday at South Second Ave. and West Elm. Involved were Jessica J. Layton, 42, of Hoopeston, in a 2005 Chevrolet SUV and Karla A. Cassidy, 36, also of Hoopeston, in a 1997 Pontiac.

Both vehicles were driven from the scene.

Zachary T. Garman, 27 of Hoopeston, was arrested after police were called at 10:50 p.m. Saturday to multiple fight calls at Hoopeston American Legion, 502 E. Penn. He was charged with resisting/obstruction police for allegedly refusing to leave the property and with possession of a controlled substance.

Garman was taken to the Public Safety Building in Danville to await arraignment.

DACC offering High School Equivalency, manufacturing path

The Adult Education Department at Danville Area Community College will once again offer an opportunity to get both a High School Equivalency (HSE) diploma and certifications in the manufacturing field. This is in conjunction with DACC's Corporate Education and Vermilion County Works.

The program starts April 1 and will run approximately 8-10 weeks (depending how fast work is completed). During the morning, the student will be in

HSE class and in the afternoon will work on the manufacturing piece. The program will run Mondays through Thursdays from 9 a.m.-3:30 p.m.

After completing the class, the student may qualify for a paid work experience at a local manufacturing plant.

This is an opportunity to see what it is like to work for that company, show them what type of worker you are, and quite possibly walk away with a good-paying, full-time job with benefits.

To qualify, the student must be 18 years of age or older, and must read at or above a 9th grade reading level (to be determined by testing at DACC). Candidates would be referred to Vermilion County Works to see if they qualify for their program. This process takes a few weeks, so anyone interested is asked to contact DACC Adult Education right away at Prairie Hall, Room 119 or call 217-443-8782.

All participants must be fully committed to the program, including its scheduled time frame and all requirements.

Is your computer on the fritz?

Is it crashing regularly, or worse yet, will it not boot up at all? Is it making strange noises that keep you up at night with worry? We will come to your aid!

Service all makes and models, upgrades, or custom built new one, to fit your needs.
