

**Hub City Media is opening a new office in Rossville and is looking for Technical Specialists!**

Are you up to the challenge?

Are you passionate about technology and have an interest in cybersecurity?

Are you a dynamic, enthusiastic individual with excellent technical and communication skills ready to fill an entry-level Technical Specialist position in our Professional Services Department?

Then put your inquisitive and engineering skills to work with our Identity and Access Management clients!

Hub City Media, a recognized Identity and Access Management thought leader, is looking for entry-level Technical Specialists in our Professional Services Department with the ability to complete software implementations for many of the world's largest Fortune companies. These individuals will work as part of our Technical Team, collaborating with Sales Consultants, Key Account Executives and clients to ensure successful deployments of Identity and Access Management solutions.

**Essential Duties and Responsibilities:**

- \* Ability to learn complex software solutions that support Identity and Access Management
- \* Apply technical expertise in decision-making and resolution of highly complex and technical problems
- \* Possess engineering skills required for building and testing the systems environment and for break / fix solution for escalated issues
- \* Exercise regular and clear communication with our clients to establish, maintain and solidify a lasting relationship
- \* Identify opportunities, issues and perform risk management, including appropriate mitigation
- \* Ability to closely collaborate and work both horizontally and vertically within the organization
- \* Think strategically and participate in growing our company beyond the 'what is' into the realm of 'what can be'

**Education, Training and Experience:**

- \* Degree in Computer Science, Information Systems, Engineering or related field of study or equivalent experience
- \* Education and academic experience developing in Java and JavaScript
- \* Education and academic experience developing in Python a strong plus
- \* Education and academic experience in Linux a strong plus
- \* Customer service / client satisfaction experience a plus
- \* Experience with SDLC a plus
- \* Executing unit and system test plans a strong plus
- \* Proficiency using Microsoft Office and Google G Suite
- \* Strong organizational and written / verbal communication skills with great attention to detail
- \* Ability to juggle multiple responsibilities while meeting demanding deadlines, produce high quality work and project a positive attitude
- \* Detail-oriented, self-motivated and highly organized with solid problem solving skills
- \* Strong ability to build lasting relationships with clients
- \* Highly professional; communicate to all business levels
- \* Ability to travel

**Our Unique Culture Offers**

- \* A highly collaborative environment that pushes you to think beyond your boundaries
- \* A diverse workload, keeping you continually stimulated
- \* An open forum for expression of ideas
- \* Diverse opportunities to expand your skills
- \* Comprehensive training and support as you face new challenges

**Briefly**

**At the library**

Upcoming events at Hoopeston Public Library include:

**Library director Tricia Freeland** is asking for a pause in book donations. Area residents have donated many books, some of which are used for the library's semi-annual book sale. In order for staff to sort and organize bookshelves, Freeland requests no donations until January 2020.

**Littles @ the Library**, 10:30-11 a.m. every Friday. For kids 0-5 and their caretakers. Features stories, songs, crafts, learning and movement activities.

**Parenting Again**, 10-11 a.m. Wednesday. Chelsey Byers of U of I Extension will discuss grandparents rais-

ing their grandchildren. Topics will include: adjusting to the role; being a grandparent and a parent at the same time; and love and limits-a powerful combination.

**STEM Design Squad**, 3:30-4:30 p.m. Thursday. A free program sponsored by WILL Illinois Public Media where kids get involved with creative problem solving and inventing. Each month they design and build their own machine. For third grade and up.

**Cooking the Books**. This month's theme is "Rooting", Tootin' Taters. Choose a recipe from the selection at the main desk. We'll copy it for you to take and bring back from 6-7 p.m. October 24. Bring serving

### Fall cleanup

- Hoopeston Street and Alley Department will begin fall cleanup on October 21, weather permitting. This is for yard waste only. Piles with plastic, lumber, landscape material, concrete or brick will not be picked up.
- Residents are asked not to rake leaves into city streets. Instead, please rake piles of leaves to curbside, but in the yard, for pickup. Leaves, like cut grass, can clog city sewers.
