From the Blotter

Blake Meehan, 19, of Hoopeston, was arrested at 1:56 a.m. Thursday. Wanted on warrants from Vermilion and Edgar counties he was taken to the Public Safety Building in Danville in lieu of bond.

No tickets or injuries were reported in an accident at 8:09 a.m. at Hoopeston Area Middle School. Police said Elijah Wisdom, 18, of Hoopeston, in a 1996 Jeep Cherokee, and Lynn M. Labarbara, 46, also of Hoopeston, in a 2015 Hyundai utility vehicle, were east-bound in the school zone, approaching the west drive of the parking lot. Labarbara stopped for traffic but Wisdom was unable to stop and struck the rear of the Hyundai.

A **31-year-old** Hoopeston man reported at 4:36 p.m. Thursday that his cell phone may have been taken from his vehicle in Parkview Court. The man said he did not know if the phone was lost or stolen.

Jason Wright, 39, of Hoopeston, was arrested after a traffic stop at 4:03 p.m. Thursday at South Dixie Hwy. and West Orange. He was charged with driving while license suspended, disobeying a traffic control device and failure to signal and was released on notices to appear in Vermilion County traffic court.

Two Hoopeston teens, ages 13 and 15, were arrested at 5 p.m. Thursday in the 300 block of West Main. Police reported that as an officer pulled into the city hall

parking lot, he noticed the two exchange a small canister, which contained cannabis.

Each was charged with possession of cannabis prohibited. The 15-year-old was released to a parent.

The 13-year-old was wanted on a Vermilion County warrant. He was taken to the Vermilion County Juvenile Detention Center, Danville.

Timothy Bryan, 24, of Ambia, Ind., was arrested after a traffic stop at 8:28 p.m. Thursday in the 100 block of East Main. He was charged with driving on a suspended license and was released on a notice to appear in Vermilion County traffic court.

SERVICES

Shhh! A dog groomer's coming to Hoopeston. More to come!

Hub City Media is opening a new office in Rossville and is looking for Technical Specialists!

Are you up to the challenge?

Are you passionate about technology and have an interest in cybersecurity?

Are you a dynamic, enthusiastic individual with excellent technical and communication skills ready to fill an entry-level Technical Specialist position in our Professional Services Department?

Then put your inquisitive and engineering skills to work with our Identity and Access Management clients!

Hub City Media, a recognized Identity and Access Management thought leader, is looking for entry-level Technical Specialists in our Professional Services Department with the ability to complete software implementations for many of the world's largest Fortune companies. These individuals will work as part of our Technical Team, collaborating with Sales Consultants, Key Account Executives and clients to ensure successful deployments of Identity and Access Management solutions.

Essential Duties and Responsibilities:

- * Ability to learn complex software solutions that support Identity and Access Management
- * Apply technical expertise in decision-making and resolution of highly complex and technical problems
- * Possess engineering skills required for building and testing the systems environment and for break / fix solution for escalated issues
- * Exercise regular and clear communication with our clients to establish, maintain and solidify a lasting relationship
- * Identify opportunities, issues and perform risk management, including appropriate mitigation
- * Ability to closely collaborate and work both horizontally and vertically within the organization
- * Think strategically and participate in growing our company beyond the 'what is' into the realm of 'what can be'

Education, Training and Experience:

- * Degree in Computer Science, Information Systems, Engineering or related field of study or equivalent experience
- * Education and academic experience developing in Java and JavaScript
- * Education and academic experience developing in Python a strong plus
- * Education and academic experience in Linux a strong plus
- * Customer service / client satisfaction experience a plus
- * Experience with SDLC a plus
- * Executing unit and system test plans a strong plus
- * Proficiency using Microsoft Office and Google G Suite
- * Strong organizational and written / verbal communication skills with great attention to detail
- * Ability to juggle multiple responsibilities while meeting demanding deadlines, produce high quality work and project a positive attitude
- * Detail-oriented, self-motivated and highly organized with solid problem solving skills
- * Strong ability to build lasting relationships with clients
- * Highly professional; communicate to all business levels
- * Ability to travel

Our Unique Culture Offers

- * A highly collaborative environment that pushes you to think beyond your boundaries
- * A diverse workload, keeping you continually stimulated
- * An open forum for expression of ideas
- * Diverse opportunities to expand your skills
- * Comprehensive training and support as you face new challenges
