## Farmer sentenced after violation for crop insurance fraud

CISSNA PARK—Jeremy Seggebruch, 40, has been sentenced to 364 days in prison for violating terms of his probation for federal crop insurance fraud. Seggebruch was taken into custody on January 9 after his probation was revoked.

In December 2016, Seggebruch was sentenced to three years' probation for making false statements to the U.S. Department of Agriculture, after he under-reported bushels of corn produced in a federal crop insurance claim.

As part of his probation, Seggebruch was banned

from participating in USDA programs and was to pay \$300,759 to Heartland Crop Insurance.

According to printed reports, Seggebruch admitted violating his probation by participating in the Federal Crop Insurance program through Segga Ag Production, Inc., owned by his sister; taking out a \$64,981 loan to purchase a Ford Super Duty truck without prior approval from the U.S. Probation Office; violating a state order of protection against him obtained by his wife; and failing to notify his probation officer of his November 27, 2019 arrest for violating the order of protection.

## Furnace repairs, replacement available through LIHEAP

DANVILLE—The Low Income Home Energy Assistance Program (LIHEAP) is familiar to many in the region for helping families pay their heating bills. The program runs from October through May, and is available to eligible low-income households in Vermilion, Ford, and Iroquois Counties.

What some may not be aware of is LIHEAP's furnace assistance component for emergency heat restoration. The furnace assistance program generally runs from October to March or until all funds have been depleted.

The program can assist with repair of a non-functional

furnace or a furnace that is considered to be a health hazard.

A furnace is considered to be non-functional when it cannot emit any heat due to a mechanical issue. A furnace is considered to be a health hazard if it cannot be safely operated due to the risk of a carbon monoxide leak.

Since it is a part of LIHEAP, it is available to LIHEAP-eligible families that own their home and are in good standing. Applicants must reside within the home that the furnace is located.

If repair costs exceeds 50 percent of the cost of the furnace, replacement of the furnace will be considered.

For more information, contact East Central Illinois Community Action Agency at (217) 554-9138 in Vermilion County and (815) 265-4685 in Iroquois County.

## A Modern Fairy Tale

# Goldilocks' Porridge Shop

Goldilocks opened a porridge shop after visiting the Three Bears.

She wanted to increase business and advertised in the longest-running publication in the land. Then the bill came. "These prices are too high and nobody bought my porridge," she said. She advertised in another publication but noticed they piled up in doorways and saw dogs treating them as toys. "My ads are not being seen and no one is buying my porridge," she said.

Then she placed her ad in **Just the Facts**. Sales skyrocketed so she started a chain of porridge shops, bought a jet and and lived happily ever after!
