## Vermilion County reports eight new positive cases Monday

Vermilion County Health Department (VCHD) was notified of eight new COVID-19 cases Monday, said Doug Toole, Public Health Administrator. The additions bring the county total to 62 confirmed cases.

Of those, there is one person each in their 70s, 60s, 40s, 30s, and teen years and three are in their 50s. One is connected to the outbreak at Rantoul Foods and one is married to a recent positive case, Toole said. Three are in the same household.

Of the total cases, 18 are in home isolation and one is hospitalized. Vermilion County has recorded two Covid-related deaths.

There have been 5,677 negative results reported in the county.

Broken down by age, there have been 14 cases each in the 20-29 and 50-59 ranges and 11 each in the 30-39 and 50-59 groups. Eight patients were ages 0-19; seven were in their 60s, four were 40-49 and 70-79 and three were 80 or older.

More than half - 54.84 percent - of the cases are women, with men at 45.16 percent. Whites make up 67.74 percent of county cases, with blacks at 27.42 percent and Hispanic at 4.84 percent.

## Correction

The dates of phases related to installing infrastructure for a proposed hotel were incorrect in Monday's issue. The correct dates are: grant awards, August 30; bid opening September 18; and bid award September 23.

Just the Facts regrets the error.

Residents who would like more information on the city's Rebuild Illinois grant application and the hotel project can find it on the city's website, [cityof-hoopeston.com](http://cityof-hoopeston.com).

## Fencing

Oliver Sroufek holds the mesh as Ron Sroufek disconnects a section of chain link fence at Hoopeston Swimming Pool. The two, along with George Sroufek, all of Alvin Fence Co., were modifying the enclosure to allow the splash pad to open. A controller was sent away for upgrades and when it is returned and installed, the water feature will open to area youngsters.
