Covid, other safety tips listed for Halloween trick-or-treating

Ghosts, goblins, ninjas and princesses will be out in force Saturday for trick-or-treating in Hoopeston.

Trick-or-treating will be held from 5:30-7 p.m. in the city. Youngsters are asked to go to homes of people they know. Residents who welcome trick-or-treaters are asked to leave their porch lights on.

There are safety precautions people can take for their children in the age of COVID-19. Brad Hardcastle, Hoopeston EMA director, provided a list, which includes:

Encourage mask wearing. Masks that come with costumes are not recommended as a precaution for the virus.

• Consider leaving individually-wrapped candy on a table in the driveway, sidewalk or yard, where six feet of distance can be maintained.

- Trick-or-treat in groups with household members.
- Candy should not be eaten before washing hands.

Other safety tips include:

Walk Safely

- Cross the street at corners, using crosswalks, where available..
- Look left, right and left again when crossing and keep looking as you cross.
- Put electronic devices down and keep heads up and walk, don't run, across the street.
- Teach children to make eye contact with drivers before crossing in front of them.
- Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible. Children should walk on direct routes with the fewest street crossings.

• Watch for cars that are turning or backing up. Teach children to never dart out into the street or cross between parked cars.

Trick or Treat With an Adult

• Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.

Keep Costumes Both Creative and Safe

• Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.

• Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision.

• Have kids carry glow sticks or flashlights to help them see and be seen by drivers.

• When selecting a costume, make sure it is the right size to prevent trips and falls.

Drive Extra Safely on Halloween

• Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways.
