## Project Success lists summer activities for local students

Project Success, an after-school program in local schools, has scheduled after-the-school year programs for Hoopeston Area students.

The summer program at Maple Grade School starts off with Science Week. Students will each be given their own science kits, including safety goggles, lab coat and name badge. From 12:30-1 p.m. June 6, the Maple cafeteria will be turned into a science lab, where students will begin their own "grow a crystal" kits.

Another highlight for the Maple program will happen June 24, when, from 12:15-2:30 p.m., students will engage with nature at Kickapoo State Park, walking trails, making s'mores, reading in tents and learning about wild-

life.

At John Greer Grade School, June 7 is Disney Day, where students will dress up as their favorite Disney character, make Disney snacks and play Disney trivia. The Disney fun will begin at 1:30 p.m. that day.

On June 15, youngsters will be taking it to the streets for Make Someone Smile Day. Starting at 1 p.m., youngsters "will be doing anything and everything we can to make people in our community smile," according to a press release on the event. Participants will walk around town, giving random community members crafts the students have made for them.
