Hoopeston Area School District has released a graphic showing how traffic will flow at the high and middle schools for student drop off and pickup while the cafeteria project is underway.

Traffic flow changes for cafeteria construction

Traffic flow at Hoopeston Area High School and Hoopeston Area Middle School will be change for the duration of the cafeteria construction project.

According to the diagram provided by the district, those dropping off or picking up middle school students should enter off Rt. 9 on the inside lane on the west side of the parking lot. The outside lane will be the bus lane.

Parents may drive to the front of the school, drop off their students, then exit down the west lane in the center of the parking lot, turning westbound on Rt. 9.

Overflow exiting will be allowed going eastbound between the third and fourth rows of parking spaces, again then turning north to exit the parking lot by turning westbound on Rt. 9.

Those dropping off high school students will enter in both lanes on the east side of the parking lot and turn west at the southernmost open parking spaces to drop off students. Parents may then exit down the east lane in the center of the parking lot and either turn east on Rt. 9 or continue north on Fifth St.

All vehicles exiting the parking lot must stop to wait for oncoming traffic on Rt. 9.
