Bre Crose finishes fourth, Dixon 11th at 1A state track finals

Life is often about choices. You can do one thing or the other, but not both.

That was the situation Brielle Crose found herself in this year. The Hoopeston Area senior could attend her graduation ceremony Saturday morning or she could participate in the 1A state track finals, but she could not do both.

Crose chose to run to the finish line, rather than walk to accept her diploma, and came home with fourth place in

the 100 meter dash, with a time of 12.60.

Crose, and fellow athlete Clair Dixon, who placed 11th in the triple jump, both qualified for finals after stellar performances Thursday in prelims, said Coach Erika Seidel.

Preliminary competition and the finals were held at Eastern Illinois University in Charleston.

Crose also missed her senior trip Thursday to run in the

prelims. She was able to livestream the graduation ceremony from her phone. "This was an eventful day for her, filled with lots of emotions," Seidel said.

While Crose is ending her high school career, Dixon, a sophomore, has more to go. Her jump Saturday was 10.35 meters. The remaining two years of her high school career give her something to look forward to, as do her coaches. "Coach Ron Cade and myself are already looking forward to next track season," Seidel said.

A Modern Fairy Tale

Goldilocks' Porridge Shop

Goldilocks opened a porridge shop after visiting the Three Bears.

She wanted to increase business and advertised in the longest-running publication in the land. Then the bill came. "These prices are too high and nobody bought my porridge," she said. She advertised in another publication but noticed they piled up in doorways and saw dogs treating them as toys. "My ads are not being seen and no one is buying my porridge," she said.

Then she placed her ad in **Just the Facts**. Sales skyrocketed so she started a chain of porridge shops, bought a jet and and lived happily ever after!
