walks, walk facing traffic as far to the left as possible. Children should walk on direct routes with the fewest street crossings.

● Watch for cars that are turning or backing up. Teach children to never dart out into the street or cross between parked cars.

### Trick or Treat With an Adult

● Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.

### Keep Costumes Both Creative and Safe

● Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.

● Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision.

● Have kids carry glow sticks or flashlights to help them see and be seen by drivers.

● When selecting a costume, make sure it is the right size to prevent trips and falls.

### Drive Extra Safely on Halloween

● Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may

transported to the Public Safety Building in Danville to await arraignment.

**No tickets or injuries** were reported in an accident at 11:04 a.m. Thursday at North Market and East Wyman.

Police said Micah J. Mobley, 47, of Hoopeston, was southbound on Market when he struck the curb at the southwest corner of the intersection. The 2006 Ford Mobley was driving then struck a power pole on the front passenger headlight area.
