Vermilion County receives SBA approval for disaster loan program for June, July damage

Vermilion County has received an approved Small Business Administration (SBA) disaster declaration in connection with area storms from June 29 to July 2.

The SBA has opened a Disaster Loan Outreach Center (DLOC) which is located in the basement level of the Vermilion County Joseph Cannon Administra-

tion Building, 201 N. Vermilion St in Danville.

The easiest access is through the building's south handicapped ramp entrance directly to the basement level.

SBA representatives will be on hand to discuss options and applications for disaster loans to businesses and private citizens who experienced damages to their businesses or residences from these storms.

The center will be open from Monday, November 6 to Friday, November 17. Hours are Monday - Friday, from 8 a.m. - 4:30 p.m. and Saturday from 10 a.m. - 2 p.m. The office will be closed Friday, November 10, for Veterans Day and will shut down at 3 p.m. on November 17.

Residents are reminded these are low interest loans being offered by the SBA, not grants.

The local Barbara Standish Chapter of NSDAR helps the society to sponsor the Bacone College, Muskogee, OK, an Indian University founded in 1880 and Chemawa Indian School, Salem, Oregon, a school for students in grades nine to 12, and the Indian Youth Camp Program, Sioux City, Iowa.

Take a minute this November and read of a great American Indian such as Chief Powhatan, father of Pocahontas, who is known for her role in the English colonial settlement of Jamestown or Sequoyah, also known as George Gist, who made the greatest contribution to indigenous culture with his formation of the Cherokee syllabary that was adopted by the Cherokee Nation in 1825.
