Hoopeston Area to hold first ever digital board meeting

The Hoopeston Area Board of Education will meet Thursday evening with many attendees not physically present. The regular April meeting will be held via Google Meet, as the board conducts essential business of paying bills and hiring personnel.

Those interested in participating in the meeting, which will begin at 6 p.m., may go to meet.google.com/yhe-yub-zxo.

Anyone who wishes to listen to the meeting via phone may call 1-650-980-4986 and enter the PIN: 587319736. The Illinois Open Meetings Act (OMA) requires the physical presence of members at meetings. However, Gov. JB Pritzker declared all counties a disaster area as part of action to stop the spread of COVID-19. Pritzker also issued an executive order suspending the physical presence requirement under OMA. He also limited the size of all gatherings - public and private - in the state.

Helping hands needed to clean bulk items from around city

Two Hoopeston residents are taking advantage of a free city dumpster at Hoopeston’s landfill and hope others will join them Thursday.

Mike Bane and Jeff Keith have already started the cleanup effort, taking items collected Tuesday on West Maple, Chestnut and Elm. “We had a trailer load that pretty well filled the dumpster,” Bane said.

When Bane and Keith learned that Republic Services, Hoopeston’s local garbage collection company, was allowing residents to have free access to a dumpster at the landfill, they decided to pitch in and pitch out items that have been sitting curbside for quite a while. “We took it upon ourselves to voluntarily go around and pick up this stuff on the curbs,” Bane said.

Now, both hope other people will step up, especially...

Anyone interested in volunteering is asked to meet at the Hoopes ton Area High School parking lot at 10 a.m. Thursday. Manpower is needed, as are trucks and trailers. Keith and Bane have already come up with designated areas they would like to cover.

Bane stressed that COVID-19 guidelines will be maintained in the process. He and Keith are working together because they've been together planning the project. Volunteers can go in separate trucks or if they meet state guidelines, can ride and work together.

"We're intending on getting everything loaded and still following social distancing rules," he said.

Health Administrator Doug Toole announced Wednesday morning. The resident is not hospitalized at this time.
