After seven new cases were reported Friday, Vermilion County had no new COVID-19 cases reported over the weekend.

Health Administrator Doug Toole announced Friday that of the seven cases, one each is in their 60s, 50s and teens and two are in their 30s. Two are family-related to a positive case from earlier in the week, he said.

The additions bring the total number of positive cases to 254. Of those, 28 are active, with 27 isolated at home, one is hospitalized, 224 have been released/recovered and two have died.

Four new negative cases were reported Saturday, bringing that total to 15,535, he said.

Of those testing positive, 46 are ages 0-19; 62 are in their 20s; 40 are ages 30-39; 28 are in their 40s; 35 are in their 50s and 37 are in their 60s.
