Classes begin Thursday, with Maple and John Greer students in session from 8 a.m. to 1:05 p.m. Grade school students will meet five days each week, either in school or remotely. Middle and high school students will be in session from 8 a.m. to 12:20 p.m. In-person learning will be held Monday, Tuesday, Thursday and Friday. Wednesdays will be "all remote" learning days.

Because the state requires five hours of educational time per day, whether in person or learning remotely, students are expected to spend an additional hour in remote work reading or other educational activity. Students attending in person are required to wear masks and social distancing will be practiced to the best of the schools’ ability.

High school students who will learn remotely may come to the school anytime from 1-4 p.m. Thursday to pick up their Chromebooks, fill out necessary paperwork and ask questions about remote learning and meet their teachers. Masks are required and social distancing will be practiced. To limit the number of people in the buildings, each student may be accompanied by one parent/guardian.

Middle school orientation for full time remote learning students will be from 1-3-5 p.m. Thursday. Students may pick up their Chromebooks and get other information. Appointments must be scheduled through the school office.
No tickets or injuries were reported in an accident at 10:01 p.m. Monday in the 600 block of South Fourth Ave. Police said Ethan J. Larkin, 17, of Hoopeston, was southbound in a 1978 Chevrolet truck when he prepared to turn into the alleyway. Meanwhile, Neil J. Williams, 19, of Hoopeston, was northbound in a 2003 Toyota sedan.

Police reported that Larkin felt he had time to make the turn and that Williams said when Larkin turned, he could not avoid hitting him.

Larkin was at fault for failing to yield to oncoming traffic before making his turn.
